

DEFENCE PEST MANAGEMENT

5th of November 2021

To Whom It May Concern :

I have had the privilege of working alongside Ladie May Concepcion-Abadilla for almost 8 years.

I have found Ladie to be hard working, resourceful and takes great pride in her work. She is always happy to be given extra tasks and would work diligently to complete these. Ladie has a very pleasant demeanour and has always strived to meet our customers' needs in the most professional manner.

I do not have any hesitancy in recommending Ladie for any future employment.
